

IN THE CYCLING WORLD.

THE L. A. W. EXECUTIVE COMMITTEE TO MEET TO-DAY.

CLOSING RACES OF THE SEASON—THE GROWTH OF THE BROOKLYN CYCLE CLUB—COLUMBIA AND INTERCOLLEGIATE CYCLE RACING.

An important meeting of cyclists will be held in this city to-day, and at its conclusion it will possibly be known where the next National Assembly of the League of American Wheelmen will be held. The meeting will be that of the Executive Committee of the L. A. W., which is composed of Sterling Elliott, president of Boston; A. C. Morrison, vice-president of Milwaukee; and Charles H. G. Ward, of New York, past-president of the league. Other matters of interest to wheelmen will come up for discussion. Albany has been mentioned as the city most likely to secure the meeting of the assembly.

The track racing season in the metropolitan district will be brought to a close on Saturday, with the club races of the Hudson County Wheelmen at Guttenberg. There is an open two-mile handicap race for which twenty-six wheelmen from men have entered, with Walter C. Reeme as the scratch man.

The growth of the Brooklyn Cycle Club, partly through the recent acquisition of the Gilbert Club, has placed it in a position to double its initiation fee, and limit the number of members to 299, within five of which the roll has already come. The dues will be made for the present, and arrangements in progress for a joint stock with the Harlem Wheelmen.

Columbia will make a strong effort to maintain the intercollegiate cycle racing championship in the coming spring. William Young, the recent trainer of the New-York Athletic Club, will have charge of the team. To H. K. Bird, W. H. Peering, Jr., and George Ruppert, winners at the inter-collegiate meet, will be added two young quidnuncs from the freshman class, W. P. Powell, who is thought to be the best amateur in America, and Ray Dawson, winner of several New-Jersey and metropolitan district championships.

For many months wheelmen have been complaining of the condition of the street pavement in front of the Eighth Avenue Railroad Company's station between Forty-ninth and Fifty-first sts. It was officially announced yesterday afternoon that the company was willing to remove the cobble and substitute an asphalt pavement. Another item of interest to wheelmen is the fact that it is in contemplation to asphalt East Twenty-second-st., to the river, and then cut a street through to the Twenty-third-st. ferry. The West Side ferry will be made possible to cyclists by asphalting Eleventh-ave.

The Century Wheelmen will issue a map of the route to be followed on their fall century run on October 23. This feature will be appreciated by the riders on account of the roundabout course selected.

Cyclists desiring to join the League of American Wheelmen may obtain full printed information and membership blanks by sending names and addresses to the Cycling Editor, Tribune.
